## How do I choose my pass?

### A. Should I choose the 60-trip pass or the monthly or quarterly Bidaide pass?

- i. All travel passes, including the 60-trip pass and Bidaide passes, are personal and non-transferable; their use is restricted to the pass holder.
- ii. **The 60-trip pass expires after 4 months.** The monthly pass is valid for one calendar month, and the quarterly pass expires after 3 months.
- iii. The Bidaide Red Pass, for persons over 27 years of age, is valid from Monday to Sunday, including public holidays, when there are scheduled services on the line corresponding to the pass. It includes two trips per day.
- iv. The Bidaide Green Pass, for persons under 26 years of age, is valid from Monday to Friday on working days. It includes two trips per day.
- v. The 60-trip pass, with a validity of 4 months from the date of purchase, it is valid from Monday to Sunday, including public holidays.
- vi. All passes are digital. They are purchased through the APP Launion-Laburundesa and used in digital format.
- vii. In all cases, the large family discount applies: 20% (general category) or 50% (special category).

### B. Choose a line or route. When you choose a line, you can travel on that line's timetable. You can choose between:

- i. Bilbao>Vitoria-Gasteiz (autopista).
- ii. Bilbao>Vitoria-Gasteiz through Arratia
- iii. Vitoria-Gasteiz> Bilbao>Leioa/UPV/EHU
- iv. Gallarta>Vitoria-Gasteiz
- v. Algorta>Vitoria-Gasteiz.

**C. With the Monthly or Quarterly Bidaide Pass.** I choose the Red or Green category based on my age. The Green pass is for passengers up to 26 years old. The Red pass is for passengers over 26 years old.

**D. With the Monthly or Quarterly Bidaide Pass, I choose the period:** Monthly (calendar month) or Quarterly (defined period). The defined periods for the quarterly pass are: September–October–November, December–January–February, March–April–May, or June–July–August. The 60-trip pass is valid for four months from the date of purchase.

- b. Pass purchase or issuance fees not included.
- c. Purchasing for the first time. Important: Follow the instructions on the platform under 'Register' to sign up for the app by filling in all the fields. Send documentation to the company in the following cases: 1) under 30 years of age, 2) over 65 years of age, or 3) to apply large family discounts. Once the documentation for these discounts has been sent to the company and the photograph has been validated, the company will activate the discount purchase option within a maximum of 24 hours.
- d. Payment by bank card or Bizum.
- e. For subsequent purchases, top up your current pass or select a new one.

### **F. How do I travel with a MONTHLY or QUARTERLY BIDAIDE PASS**

Once the pass has been purchased, the passenger must use the digital platform to choose the day, time and route on which they will travel. This selection will generate a ticket with a QR code that must be scanned when getting on the bus.

If you wish to change the time, day and date of your chosen journey, you must cancel the ticket and choose a new one. In these cases, handling fees will be applied.

### **G. How do I cancel a monthly or quarterly pass (Bidaide) before the end of its validity period?**

First, notify the company via [bonos@autobuselaunion.com](mailto:bonos@autobuselaunion.com), and they will deduct the price of two single tickets for each day of the pass's validity period that the user has been able to use, regardless of whether they have done so or not, including the day the pass is returned.

The amount to be refunded will be paid into the bank account or bank card used to make the payment. If the period of use of the pass has not started, the passenger can directly cancel the pass from the virtual pass platform, using the "recharge-cancel" option.

### **H. How do I cancel a 60-trip pass.**

*You can cancel any pass that has not been used for any trips. In this case, the cancellation is managed by the traveller directly from the virtual pass platform (recharge-cancel option).*

### **I. Fraudulent use of the pass will result in it being void and cancelled by the company.**
